

Inclusion and Intervention Diploma

(Post-ECE Diploma) - Part-time Study Truro and Sydney

This Inclusion and Intervention Diploma is an advance level program. The **pre-requisite requirement** is that applicants are graduates of a recognized early childhood program or who have been deemed equivalent by the College's Academic and Admissions Review Committee.

The diploma consists of 5 courses and supervised field placements. After completing all program requirements participants will be awarded the Inclusion and Intervention Diploma. ***All text books are included in tuition.***
